# WOOD SOAP

## Natural Wood Flour Soap

WOOD SOAP, for heavy duty applications, is a natural hand cleaner that is non-alkaline and solvent-free. It thus eliminates the potential skin problems liable to be experienced by those who are hypersensitive to the solvents used in heavy duty hand cleaning gels.

Lack of solvents in WOOD SOAP makes it more pleasant to use, leaving no unpleasant paraffinic smells on the hands to mar the enjoyment of food at break times.

WOOD SOAP is biodegradable, so is preferred from an environmental point of view as well. As well as the wood flour incorporated into the mix, WOOD SOAP also contains a modern plastic granulate from ICI, which will not clog drains.

WOOD SOAP cleans deep into the pores without irritating the skin. It creates a rich, satisfying lather and rinses freely.

WOOD SOAP is an off-white pumpable paste and is easily dispensed, if required. Please ask about these inexpensive dispensers.

The product is thoroughly viable in use. Your annual spend on WOOD SOAP is likely to be significantly less than your annual bill for an "inexpensive" proprietary brand hand cleaning gel.

WOOD SOAP removes grease, oil, and general grime quickly and easily without damaging the skin. A small amount should be rubbed into the hands and water added. Wash vigorously, then rinse and dry thoroughly.

*Overcomes skin problems*

*Cleans without irritation*

*Biodegradable*

*Alkaline-free*

*Solvent-free*

*No fragrance*

*Imparts a pleasant feel to the skin*

*Thoroughly economical and thus viable*

*Does not clog drains*

### COSHH/CHIP2 SUMMARY

#### Physical Form

Pumpable paste

#### Colour/Odour

Off-white/fragrance-free

#### pH

7/8

#### Solubility

soluble in water

#### Hazardous constituents

No hazard

#### Occupational Exposure Limit

No hazard

#### In contact with skin

Designed to be skin-friendly

#### In contact with eyes

Irritant

#### Stability

Stable

#### Shelf Life

2 years in unopened containers

#### Flammability

Non-flammable

#### Product pack sizes

3 litre pet jars, 15 litre pails
