

PROTECTING HARD WORKING HANDS AND HELPING TO KEEP HANDS HEALTHY

GOJO® HAND MEDIC® Professional Skin Conditioner

HEALTHY SKIN

Healthy, well-conditioned skin retains more moisture and is less likely to absorb and react to incidental exposure to irritants.

DAMAGED SKIN

Tiny cracks in the surface of damaged skin permit natural oils and moisture to escape and allow outside substances to irritate and potentially enter the bloodstream.

MOISTURISES AND CONDITIONS SKIN

GOJO HAND MEDIC Professional Skin Conditioner is part of a complete hand care regime to help prevent dry, cracked skin by maintaining the skin's moisture level.

- Water based and unfragranced
- Designed to help maintain skin's moisture level
- Helps prevent dry, cracked skin
- Absorbs quickly with a non-greasy after-feel
- Use before work, after hand washing and at night
- Dermatologist tested
- Latex glove compatible

GOJO® HAND MEDIC® Professional Skin Conditioner is available in a variety of sizes and dispensing options for every environment.
