## Silicone-Free After-Work Skin Reconditioning Cream

Opus RECON CREAM is a silicone-free skin care cream which is easy to apply, is swiftly absorbed and does not leave any unpleasant or annoying oily film. Opus RECON CREAM classic helps to reduce skin irritation and soothes the skin, enhancing the skin's natural regeneration. Used regularly, it maintains the skin in a smooth and supple condition.

**Area of Application:** For the care of heavily-stressed skin. Suitable for all skin types.

**Directions:** Apply RECON CREAM to clean, dry skin. Then carefully rub on to the areas of skin that are at risk, to include the skin between the fingers, and the fingernails.

Opus RECON CREAM should always be used before any lengthy breaks and after finishing work. RECON CREAM is suitable for facial use as well.

**COSHH Data:** An EC safety data sheet (MSDS) providing additional information is available on request.
