PRODUCT DATA SHEET

Heavy Duty

PLAUDIT LIQUID

Engineers' Heavy Duty, Solvent-Free, Liquid Hand Cleaner

Opus PLAUDIT is a high active, efficient liquid hand cleaner, combining a pleasant fragrance that is acceptable to men and to women.

Opus PLAUDIT is free of hydrocarbon and citrus-derived solvents

Opus PLAUDIT is extremely versatile, at home and equally effective anywhere, whether it be the maintenance department of a steel rolling mill, or the MD's washroom suite.

Opus PLAUDIT is equally active in both hard and soft water, providing a rich, mild, deep cleansing lather that removes the most stubborn dirt. Inks, oil, grease, carbon black, grass stains, dyes, etc.

For added protection, skin conditioning agents are incorporated into the formulation.

Opus PLAUDIT contains no rubbing agents and no d'limonene citrus-based solvent.

SDS Data: An EC safety data sheet (SDS) providing additional information is available on request.

Packaging Sizes

- 4 x 5 litres
- 25 litre drum
- 210 litre drum

Benefits of using Opus PLAUDIT:

Removes medium to heavy duty contaminants such as mineral and lubricating oils, grease, rust, tar, bitumen, graphite, grass stains, etc.

Applications:

Use in garages, workshops, engineering maintenance departments, factory production washrooms, off site workings, etc.

When diluted with equal parts water Opus PLAUDIT thickens, making it ideal and extremely economical for use in offices and other less arduous situations.

- Smooth and powerful heavy duty cleansing action
- Solvent-free, so kind to skin
- No added abrasive particles
- Contains skin conditioning agents
- Pleasant natural orange fragrance
- Leaves no sticky residue
- Use in any washroom application.
- The only viable single product washroom option for any organisation
